EU Priorities for 2030

A workshop with eupinions

Isabell Hoffmann

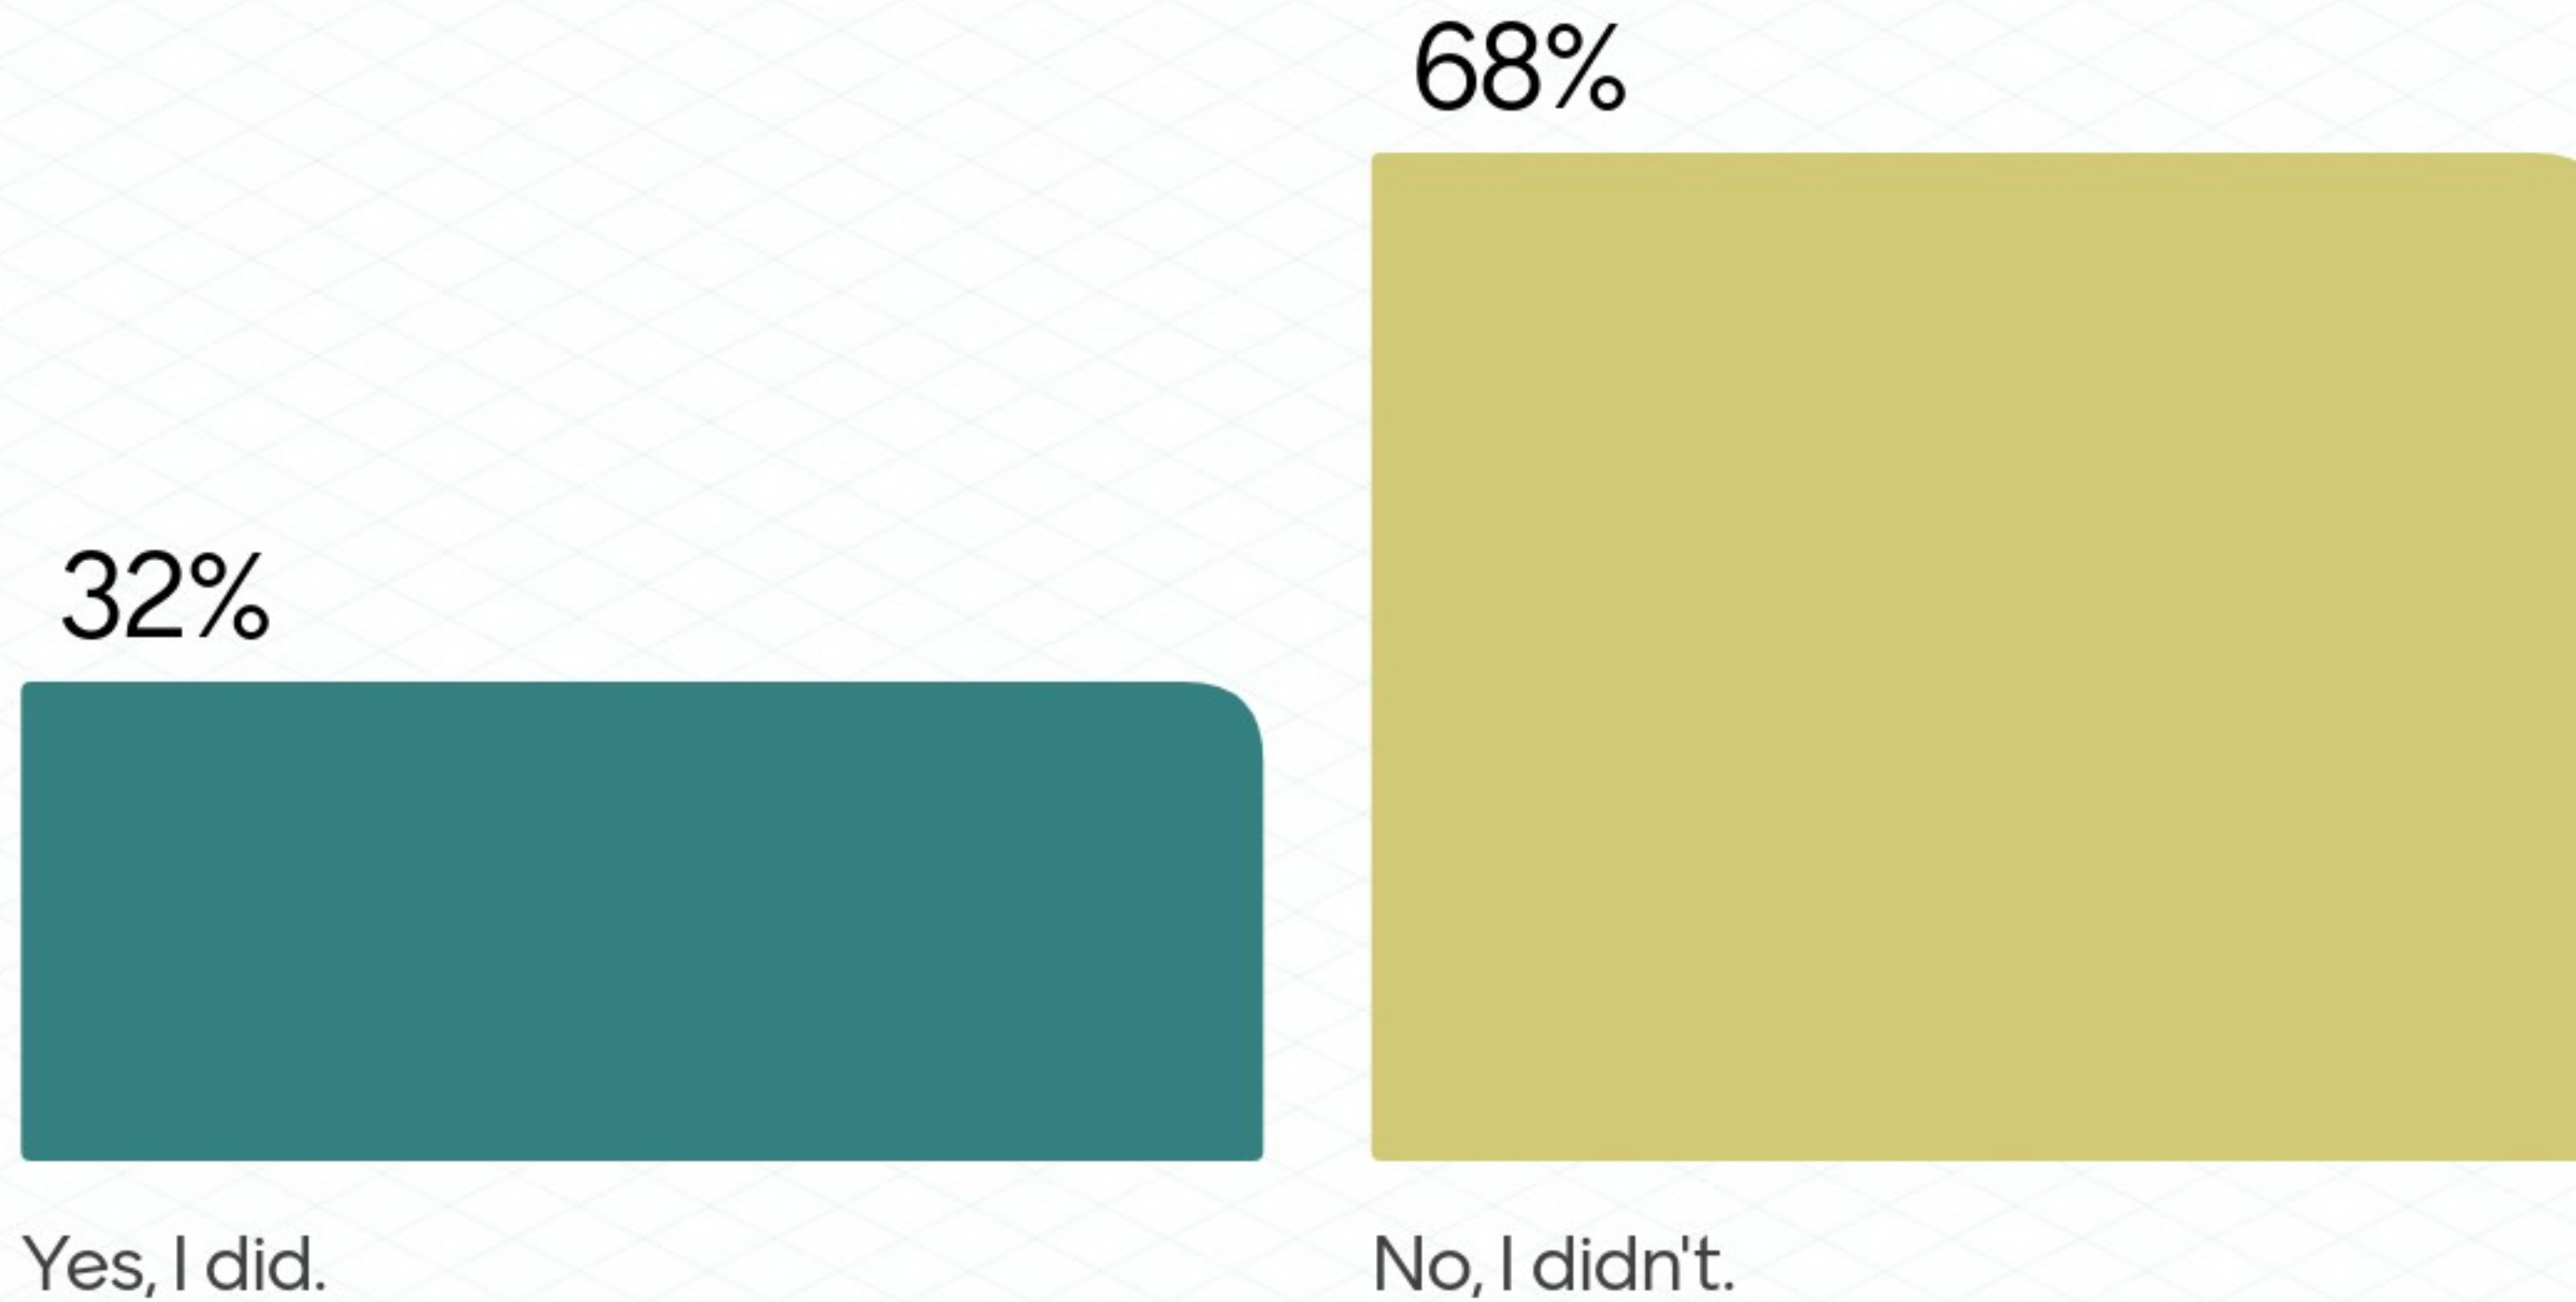

The background of the entire slide is a light blue grid. Scattered across this grid are various black and white line-art illustrations of people in different poses and outfits, representing a diverse group of individuals. Some are walking, some are standing, and some are in motion. These figures are positioned around the central text, creating a sense of a community or a group of people participating in the discussion.

**Let's start with a few questions about
